Spring 2020

TART

We are committed to ensuring the health and safety of our bus operators and passengers

TART is urging customers to take precautions before riding public transit to help reduce the spread of COVID-19 and to follow these simple measures to ensure public and employee health and safety:

- Enter the bus through the rear door when possible. The front door will remain available to riders using mobility devices that require use of a ramp.
- Sit at least 6 feet from other passengers.
- Use public transit for essential activities only.
- Passengers are urged to wear face coverings.
- If you have symptoms of COVID-19, avoid exposing others, including refraining from using public transit.

TART is currently taking the following measures:

- Sanitizing surfaces daily.
- Fogging buses every two days with a 72-hour disinfecting agent.
- Distribution of hand sanitizer, Kleenex, rubber gloves, sanitizing wipes/spray for employees.
