**NORTH LAKE TAHOE AND TRUCKEE PARK AND RIDE PROGRAM CANCELLED  
FOR LABOR DAY WEEKEND**

*Due to the Caldor Fire, park and ride service is cancelled.*

**LAKE TAHOE-TRUCKEE, Calif/Nev. (August 31, 2021)** Due to the Caldor Fire, the Placer County-sponsored Regional Park and Ride program that has been available throughout the summer, is cancelled for Labor Day Weekend.

Originally scheduled for September 4 – 6, 2021 the program has been cancelled. This past summer, travelers to Truckee could park their car, take TART, and TART Connect (the micro-transit pilot program) to get around the North Shore and Truckee, using free park and ride lots and shuttles. The Castle Peak parking lot, located at Northstar California, provided free parking and free TART/shuttle service to/from King's Beach. The second parking location at the Truckee Tahoe Unified School District in Truckee provided free TART/shuttle service to/from Tahoe City. These free park and ride lots and shuttle services started weekends beginning July 3<sup>rd</sup> and had been planned through September 6th.

"We are primarily concerned with the health and safety of the Lake Tahoe community, and during these challenging times over the next few days our only concerns are that people are safe and are also alert to any changing conditions," said Christine Maley-Grubl, Executive Director of the Truckee-North Tahoe Transportation Management Association (TNT-TMA), who operates the regional park and ride program in North Lake Tahoe and Truckee.

The TNT-TMA also manages the marketing program for Tahoe Truckee Area Regional Transit (TART) and has indicated that TART mainline bus service and TART Truckee local service will continue as scheduled as well as the TART Connect micro-transit program, through Labor Day weekend.
